

INTRODUCTION

“Education is all round development of Mind, Body and Spirit”.

OUR GOAL is to Make the younger generation stronger in fundamentals and nourish their minds for a bright and enterprising future

School is a place where one learns not only the knowledge required for daily life but also the art of living with all its complexities and subtleties.

It gives me great pleasure to highlight the achievements of AECS-4 for the year 2014-2015. Our school nurtures the students to achieve their full potential. Every achievement is only a new benchmark for the others to follow. This year too, our school has some outstanding achievements by students. All this has been possible because of collective efforts of the students, teachers and parents.
